Parent Information

PURPOSE

- * To provide small group learning opportunities
- *To transition skaters into our Skills classes program
- * To create greater technical development in skating skills
- * To introduce the concept of Athlete Training for figure skaters
- * To transition skaters to our larger, more specialized training ice facility
- * To involve skaters and families with a US Figure Skating member club (Seattle Skating Club)

Who Can Participate:

- * Skaters who want to have more fun learning about ice skating
- * Currently enrolled Freestyle 1 & above students
- * Skaters who want to improve testing outcomes
- * Skaters interested in private lessons in the future
